Text : Hebrews 10:5-10;

COLLECT

Fourth Sunday of Advent

Heavenly Father, who chose the Virgin Mary, full of
grace, to be the mother of our Lord and Saviour:
fill us with your grace, that in all things we may
accept your holy will and with her rejoice in your
salvation; through Jesus Christ our Lord. Amen.

Mission and Purpose: As we see the gracious salvation plan in the missional heart of
God, may we be a missional church of Spirit-filled committed disciples of Jesus Christ,
always ready to take the gospel to the nations.

Dear family in Christ

We thank the Lord for his grace and help as we experience another challenging year in the midst of the worldwide Covid-19 situation.

For some brothers and sisters in our church community, this year has been filled with painful struggles and sorrowful circumstances. May you find continual deep comfort and inner peace in the Lord and be strengthened by the sufficient grace of God.

As we come near the end of this year 2021, may our hearts be joyful in praising the Lord for who He is and be filled with gratitude to God for all His blessings in our life. May we sing like the grateful psalmist, "*Bless the Lord, O my soul, and all that is within me, bless his holy name!*" (Psalm 103:1).

As we reflect on the issues and circumstances in our life, let us give thanks to God and "*forget not all his benefits*". May we be grateful to Abba Father for His loving forgiveness, merciful healing, gracious redemption, steadfast love, faithful goodness and life renewal in the power of the Holy Spirit (Psalm 103:2-5).

May I encourage us to spend time in quiet reflection in the Lord as we prepare to end the year.

- How am I coping emotionally and mentally during this pandemic?
- How have I grown spiritually in Christlikeness and loving God more deeply?
- In what ways have I learnt to trust God more in the circumstances of my life?
- What direction in life is the Lord leading me as I seek His guidance?
- What has the Lord spoken to me through His Word and His Spirit this year?
- In what ways have I been involved in the harvest work of His eternal kingdom?
- How have I glorified God in the trials and circumstances of my life?

"Only one life, 'twill soon be past; Only what's done for Christ will last." C.T. Studd

MORE ABOUT DR ELIZABETH ANG

Elizabeth Ang is Senior Consultant, in General and Ambulatory Paediatrics and in Paediatric Rheumatology at the Khoo Teck Puat – National University Children's Medical Centre, National University Hospital. She looks after children from ages 0 to 18 in the outpatient clinics as well as during their hospitalizations. She did further training in Pediatric Rheumatology in Boston Children's Hospital/Harvard School of Medicine. In her free time, she really enjoys going to surrounding countries like Cambodia, Vietnam, Indonesia, etc... to spread her love of Paediatrics and Paediatric Rheumatology and to try and understand (and sometimes tackle, alongside the local providers) the challenges of caring for children there. She counts it her privilege to have made many friends and have learnt so much in the process. While the COVID pandemic has restricted such travels for nearly 2 years, she is thankful for opportunities to continue building relationships and knowledge through virtual meetings!
